

Thank you for your interest in The Jeep Expeditions Group !

Your membership is now provisional pending final approval. It will be fully approved once we receive your information and payment. Memberships remain provisional for ONLY 5 days so please take care of this today.

One of our main concerns is the safety of our members. Given the nature of our trips and the remote areas we visit, we keep a database of information about our members, their Jeeps, emergency contact information and any medical conditions they feel we should know about. This information is STRICTLY CONFIDENTIAL and is NOT available to anyone but our Board of Directors. It is for official use ONLY.

Much of the information about you; your date of birth, address and vehicle info, is needed for group permits we are sometimes required to obtain. We would use your cell phone number to try to contact you if you were late for a trip you had signed up for. The photos of your Jeep are for our Member's Rigs Section, and also to help us put a name to a vehicle in the event we need to identify your rig in photos selected for a magazine article.

We are a dues based organization. Your \$40 Annual Dues helps offset the costs of maintaining our website, minor permits and operating costs. It also pays for membership to the Arizona State Association of 4 Wheel Drive Clubs (ASA4WDC). This gives us access to their million dollar liability policy, which is being required more and more when we apply for permits. If we were to obtain our own liability policy for each trip it would cost \$1100 per trip. We are also members of the United Four Wheel Drive Association (UFWDA). Part of the money we pay also goes to support Tread Lightly, Blue Ribbon Coalition and Arizona Off-Highway Vehicle Coalition. All of these organizations are fighting to keep access to our public lands open and employing lobbyists to make sure that politicians will support bills that are friendly to us and vote against bills that are not.

**Much of your dues payment goes to fight to keep YOUR trails open !
The \$15 New Member Fee covers the cost of 2 club decals for your Jeep and a membership card.**

You may your dues through Pay Pal if it is convenient for you.

PayPal charges a processing fee, so please remit \$42 for dues and \$16 for the new member fee if you use this method.

Membership Dues and New Member Fees paid by check or money order should be in the amounts of \$40 and \$15 respectively, and mailed to:
