

# Operation Stocking Stuffer

## Support our Troops !

A new project for 2007 in conjunction with our annual support for the Toys for Tots program.....we have introduced what we feel is a great compliment to the Toys for Tots Program and a great way to show our support for our Troops.

The Jeep Expeditions Group has a number of Veterans in it and even a few active duty, reserve and guard soldiers.

Operation stocking stuffer is actually a year round program that delivers packages to our troops, specifically US Marines in the deep of things in far off lands. In an effort to show continuing support, we will make collections at other times of the year too.

Below you will find a list of items that are needed and well received by our men and women thousands of miles away and no where near the local Wal Mart or Walgreens.
